

Dear Friends of the Hanover Foundation,

This year marks the fifteenth anniversary of the Hanover Foundation for Educational Enrichment. Since its inception we have worked to raise more than \$100,000 toward grants for enrichment of the educational programs of the Hanover Public Schools.

The Foundation is sponsoring a celebration, a **South Shore Sampler** on Saturday, March 24, 2007, at the Knights of Columbus Hall, Route 139, Pembroke from 7-12 PM. Please join us for an evening of delicious food, dancing, and entertainment – all for only \$20 per ticket. This is an opportunity to renew friendships and to also be help support the worthwhile mission and goals of the Foundation.

Hosted by Hanover High School's John Hopkins, the program includes a sampling of food from local restaurants and entertainment by high school music groups,. Auction items include a \$500 gift certificate to Stephen Leigh Jewelers, passes to the North and South Shore Music Circus, an autographed baseball from Coco Crisp, an autographed hockey puck from P.J. Axelsson, a granite bench from Swensen Granite, and a private evening of shopping, including wine and cheese, at Potpourri Designs. This event will provide a wonderful opportunity for supporters of education to come together and celebrate fifteen years of providing grants to benefit our students.

Please return the attached form or contact Sue DiTullio at 781-878-9484 to purchase your tickets and help make this fundraising event a huge success. We hope to see you there!
