

2011-12 Box Tops Program

The Box Tops for Education program raises money for our schools. Many thousands of dollars each year are raised with this program and have helped each school purchase items for the students that are not covered by the school budget. Throughout the year we will have 3 contest periods when we will be asking you to send in all the Box Tops you have collected since the last contest. **Contests will take place during the months of October, February and again in May.** Prizes are awarded to top collecting classrooms and *all* students benefit from the money raised with this program.

***Each Box Tops is worth 10 cents and the cents add up to thousands of dollars!
It is FREE MONEY found on products you use every day!***

Our first contest begins now! So gather all the Boxtops you have saved or start clipping now. Boxtops must be sent in to your child's classroom teacher by **Wednesday October 26th!** **PRIZES will be awarded to the TOP COLLECTING classroom at every grade level.** Each winning classroom may choose a \$20.00 prize for their enjoyment. **The TOP COLLECTING CLASSROOM OVERALL will receive a \$35.00 classroom prize.**

HOW TO HELP:

1. Purchase participating Box Tops products and look for the "official coupon" (like the one at the top right hand corner of this flyer) then **Clip It!** For a complete list of participating products go to www.boxtopsforeducation.com/earn/clip and click on **Which Products Have Box Tops**
2. **Collect Box Tops** and send them into school in a Ziploc bag labeled with your child's name, teacher name or homeroom number.
3. **Ask Family and friends** to help clip too!

CLIP, CLIP CLIP – the more we collect the more we can raise to support the needs of our school and the students!! **Also, don't forget to do your online shopping through www.btfe.com/earn/marketplace and have a percentage of your sale go directly to our school!**

GET RESULTS! Look at what we did with Box Tops funds last year:

Center/Sylvester School raised over **\$3,800.00** and purchased headsets for all classrooms, 2 Mini-Mac computers and sponsored the 4th Day Memory Day Celebration.

Cedar School raised nearly **\$2,500.00** and purchased speakers for the 4th grade classrooms, helped to bring the Science Ranger program to all students and offset field trip expenses for the Freedom Trail, Southwick's Zoo and the Kindergarten farm trip.

Hanover Middle School raised almost **\$2,400.00** and purchased an ELMO camera, Foreign Language supplies, Math supplies, Social Studies supplies, and helped pay for the Bay Colony Players presentation "The Child's Life in Colonial America" for Grade 5.

It is our goal to raise even more money this year at every school!!
