Dear Parents:

With current national attention being focused on children's health and wellness issues, Hanover Public School's Food Service Department is excited to provide parents a convenient, easy and secure online prepayment service to deposit money into your child's school meal account at any time. This service also provides parents with the ability to view your child's account balance through a web site called MyNutrikids.com. By having money in each child's account prior to entering the cafeteria, the lunch lines move along faster so your child has more time to eat and to socialize. In addition, parents will have the ability to print out a copy of their child's purchasing history report. This history report will show you all dates and times that your child has purchased a breakfast, lunch, and or snack within the past thirty days.

Please be advised that monies placed into a student's account are applied to all purchases at the point of sale. Any purchase will debit from the overall account balance. If you would like to initiate a spending limit or other control please contact me directly by phone or email to accomplish this task.

These new services will be available February 3, 2012.

To access these services:

1. Simply go to the district web site at www.hanoverschools.org.
2. Click on the Food Services link.
3. Click on the MyNutrikids.com link. From this site you will create your account and add money to your child's school meal account. All you need is your child's name, student 10-digit ID number accessed from their X-2 account and school ZIP code. The instructions listed on the back of this page will guide you through the easy online account set up process.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made through an existing PayPal account or with a major credit or debit card.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.75 fee once per deposit transaction. Hanover School District will not profit from the use of this site.

We are very excited to offer these new services, and are confident this new system will benefit you, your child and our District. However, if you choose not to take advantage of the online prepayment service you may continue to make advance payments via cash or check, which should be made payable to the Hanover Public Schools. Please write your **child's full name** on the check. Please note that it is **not** mandatory to set up a student account online, this service is being offered as a benefit to parents for ease of payment and for viewing transaction history.

The mission of Hanover Public Schools is to guide every student to thrive in a global society."
