

As we begin a new school year, we invite you to become involved in the Hanover Foundation for Educational Enrichment (HFEE). The HFEE is an independent, non-profit organization supported by residents who care about quality education for our children. Our purpose is to foster programs which provide educational enrichment in the forms of grants, proposed by teachers, staff and parents to benefit all students. Founded in 1991, we have raised more than \$200,000 for distribution throughout the schools.

Please consider a \$15.00 donation. This will enter you into a drawing to win an Amazon Kindle, valued at over \$150.00. Please complete the attached form and return to your school office by September 30. A winner will be drawn the first week in October. Please contact Susan DiTullio (878-9484) for more information about the HFEE. Your support is very much appreciated.
