 Re: Obsolete Equipment

Pursuant to School Committee Policy, I am respectfully requesting the following equipment be declared obsolete so that we may properly recycle it. The equipment listed is either broken or outdated and is no longer of use to the Hanover Public Schools. There is a possibility of earning \$5 per computer listed from the recycling company, PCS of Hanover, and we will pursue this option with your approval this evening. The company provides certificates of responsible eWaste disposal. Thank you for your consideration and vote.
