

PARTNERSHIP IN MUSIC

WHAT IS THIS CLASS ALL ABOUT?

Partnership in Music (PiM) is a unique class that allows students to mingle, collaborate, and learn with students from the SPED program. Any student who is interested in working in the musical therapy field is highly recommended to take this course. Additionally, this is an excellent class to take if you would like something that is low-stress, and if you enjoy working with students with special needs! PiM meets every other day for 2.5 credits, and is open to students in grades 9-12.

WHAT TYPE OF ASSIGNMENTS/ACTIVITIES CAN I EXPECT?

Unlike most classes, Partnership in Music doesn't have regular assignments. Instead, students are assessed on their ability to work and collaborate with others, as many of our activities are performance based. Any one class is often full of many different musical activities, such as:

Singing a song together

Playing instruments such as drums/boomwhackers

Dancing and moving to music

Composing our own songs

Playing fun music games!
