

I can be a Super Friend

At Home

I can be a Super Friend by being safe.

I keep my hands and feet to myself. I keep my
body with my family when we go out.

I can be a Super Friend by being kind.

I use nice words and a nice sounding voice.

I can be a Super Friend by following the plan.

I listen to my parent's directions and follow the schedule.

I can be a Super Friend at home when I am safe,
kind and follow the plan.

It is fun to be a Super Friend!
