Re: Hanover Middle School Obsolete Texts

Please find attached to this memo a list of texts to be declared obsolete. As we launch the new Math Curriculum, these texts are no longer necessary. It is my recommendation that the School Committee declare these texts obsolete so that I may have discretion to dispose of them. It is my intention to contact the publisher and see if there is any opportunity to sell them back. Failing an attempt to sell them or give them away, I will recycle them in an environmentally friendly manner.
