Re: 8<sup>th</sup> Grade Washington DC Field Trip Update

Following the September School Committee meeting, the Hanover Middle School had a meeting with the 8th grade parents on October 5th to discuss a sample itinerary and the cost of the proposed Washington D.C. trip. I am pleased to announce that the parents were extremely supportive and would like their children to have such a wonderful experience. We also explained that to the best of our knowledge that every student that wanted to go was able to go. We asked parents to contact us if there is any monetary issue. Finally, we are looking into an alternate week in May or June as one of the original weeks proposed conflicted with Hanover Graduation. Please consider this information when voting on our proposal to take the 8th grade back to Washington this year.
