MEMORANDUM

To: Hanover School Committee

From: Thomas R. Raab, Assistant Superintendent for Business and Finance

Cc: Matthew A. Ferron, Superintendent of Schools Re: FY 2021 Operating Budget Closeout Report

Date: June 23, 2021

Please find the final closeout report below. This year has presented many unforeseen challenges and we are grateful for all of the support from the federal and state grants as well as support from the Town of Hanover at Town Meeting. It was necessary to have all of these avenues of funding to end the year strong and provide a comprehensive and safe education for all of our students. In addition to the operating budget summary below, I've also included the Quarter 4 FY 2021 Revolving Account Summary as well as a summary of federal and state grant funding for FY 2021.

The chart below is a snapshot of our financial picture to date. The numbers for the Special Town Meeting Article, FEMA reimbursement and Circuit Breaker are estimated and may change as we finalize additional COVID related Special Education expenses as well as COVID related expenses with regard to technology and long term subs needed for COVID absences. Using \$129,000 of Circuit Breaker funding leaves \$26,000 in funding available for any Special Education tuition bills that we receive in July but, in fact, are a June 2021 liability.
