Superintendent's Summative Evaluation 2017-2018

1. Superintendent's Performance Goals

Step 1: Assess Progress Toward <u>HPS</u> Goals

Goals should be SMART and include at least one goal for each category: professional practice, student learning, and district improvement. *Mark with an "X" one box for each goal.*

Top of Form

Goal(s)	Description	Did Not Meet	Some Progr ess	Signif icant Progr ess	Met	Exceed ed
District Improvement						
1	To redesign educational experiences at Hanover High School and enhance curriculum to capitalize on teacher expertise and provide greater student choice. This year, we will further our pursuit and development of innovation academies. This development will focus on curriculum design and course selection to personalize the high school experience for all students. We will work with the faculty at the high school to design effective and rigorous standards-based units of instruction that reflect high expectations regarding content and effort of work.					x
2	To develop a comprehensive Program of Studies for Hanover Middle School, to identify opportunities for alignment with the Innovation Academy design at HHS, and to explore opportunities for personalized learning at HMS. This year, we will work to develop a comprehensive Program of Studies intended to provide clarity to the HMS curriculum for students, staff, and families. During this process, we will seek to identify opportunities to align programming with the Innovation Academy development at HHS and to increase opportunities for personalized learning experiences at HMS.		х			

	To develop and document a sequential K-12 technology curriculum that is			
	aligned to the state and national standards, and to lead professional			
	development activities designed to effectively integrate technology and increase			
3	digital literacy in the classroom in all curriculum areas.		Х	
	To continue to increase relevancy and improve student learning through additional teacher			
	training in technology integration and digital literacy in the classroom.			

Bottom of Form

4	To develop and implement a strategy for community outreach regarding the impact of social media, media addiction, and overall "screen time" that will address the psychological, emotional, and physiological challenges related to these issues. In partnership with key collaborators, we will develop and implement an educational strategy for our community (with a focus on students and families) intended to address the increasing challenges of media addiction and related subjects.		x	
Professional Practice)	l l		
5	To pursue personal and Leadership Team professional development opportunities in the area of personalized learning and to leverage these experiences for successful implementation of the HHS Connect Project. Increase expertise related to personalized learning and school design. Continue to educate the community on the changes that are necessary for project advancement.			х

Step 2: Assess Performance on DESE Standards

2. Superintendent's Performance Rating for Standard I: Instructional Leadership

Mark	with an "X" one box for each indicator and circle the overall standard rating.	Unsatis factory	Needs Improv ement	Profi cient	Exempl ary
I-A.	Curriculum: Ensures that all instructional staff designs effective and rigorous standards-based units of instruction consisting of well-structured lessons with measurable outcomes.			х	
I-B.	Instruction: Ensures that practices in all settings reflect high expectations regarding content and quality of effort and work, engage all students, and are personalized to accommodate diverse learning styles, needs, interests, and levels of readiness.			х	
I-C.	Assessment: Ensures that all principals and administrators facilitate practices that propel personnel to use a variety of formal and informal methods and assessments to measure student learning, growth, and understanding and make necessary adjustments to their practice when students are not learning.			х	
I-D.	Evaluation: Ensures effective and timely supervision and evaluation of all staff in alignment with state regulations and contract provisions.			х	
I-E.	Data-Informed Decision Making: Uses multiple sources of evidence related to student learning—including state, district, and school assessment results and growth data—to inform school and district goals and improve organizational performance, educator effectiveness, and student learning.				х

Overall Rating for Standard I (Circle/highlight one.)

The education leader promotes the learning and growth of all students and the success of all staff by cultivating a shared vision that makes powerful teaching and learning the central focus of schooling.

Comments and analysis: Matt's efforts in this regard should be commended. The high school curriculum continues to grow and offer new and exciting opportunities to our students. The middle school curriculum is a work in progress, but if the success at the high school is any indication as to what we can expect at the Middle School level I'm sure we will see great improvement.

Comments and analysis: This continues to be Mat	t's biggest strength. His communication wit	th the families, parents and the community has exceeded
expectations and built a level of trust in our school sy	stem that was lacking prior to his arrival. I	Matt understands that open, honest and frequent communicatio
with parents is necessary, and especially so when tir	mes of national school tragedies cause feeli	ng of trepidation in every school community,

DESE Goals Summary: Complete tables above for Standards I-IV first; then check/mark with an "X" one box for each standard.

Unsatisfactory = Performance on a standard or overall has not significantly improved following a rating of Needs Improvement, or performance is consistently below the requirements of a standard or overall and is considered inadequate, or both. Needs Improvement/Developing = Performance on a standard or overall is below the requirements of a standard or overall but is not considered to be Unsatisfactory at the time. Improvement is necessary and expected. For new superintendents, performance is on track to achieve proficiency within three years. Proficient = Proficient practice is understood to be fully satisfactory. This is the rigorous expected level of performance. Exemplary = A rating of Exemplary indicates that practice significantly exceeds Proficient and could serve as a model of practice regionally or statewide.			Profi cient	Exe mpla ry
