- The new teachers contracts allows teachers to Roll unused personal days into sick days
- The savings in this will cover the increase in the substitute pay

- Question by Ms. Lynch- are there different rates for long-term substitutes? Response by Dr. Raab that long term substitutes are paid \$75.00 per day for first 21 days and over 21 days, the rate is \$150.00 per day

Report on Teaching and Learning

Elementary and Middle School Report Card Schedule

- This is a discussion regarding possible change to a 3 term system
- In 2012, the report cards were changed from a 3 term system to a 4 term system
- Teachers believe that student assessments are being shortened by a four term system and the deadlines that accompany these terms
- 3 terms would align with benchmark assessment and research intervention timelines

- 74% of teachers have responded to a survey regarding changing to a trimester and 80% would like to return to a trimester
- Full evaluation of impact of this change to students with IEP will be researched
- Aspen will be updated to provide better communications to parents
- Comment by Ms. Booker she is concerned for students who do not meet benchmarks- what will be put in place to make sure that if we are moving from 4 to 3 terms, that we catch students earlier that are not meeting their benchmarks
- Response by Ms. St. Ives that we would like to strengthen communication with parents and we will make sure that parents receive plenty of information throughout the year about the students assessment
- Comment by Mr. Geary- how long will it take to determine if this would be a good change- does it take a few years? Response by Ms. St. Ives that right away looking at assessment schedules will match up to the terms and we will need feedback from parents regarding how they feel the communication has been strengthened
- Comment by Mr. Geary that when you put a proposal together- make sure you put a definitive timeline of when this would be evaluated to determine if it has been successful or not
- Comment by Ms. Corbo- were any parents of the PAC included in this? Response by Ms. St. Ives that there were no parents on the committee at the time it was created a few years ago. Ms. St. Ives plans to reconvene the committee. Comment by Ms. DeGrenier that teachers were on the committee but the plan was presented to the PAC and other parents at that time
- Comment by Ms. Lynch why is high school on a 4 term? Responses by Ms. St. Ives that 1st quarter grades are used for college guidelines for seniors. The timeline is driven on college requirements and deadlines
- Additional documents included in the packet are: EMR Policy which is in draft form and BMI Policy & Life Threatening Allergies Policy are redlined- these are to be reviewed for the next meeting

Public Comments: None presented.

Motion to adjourn by Lynch at 7:50pm. The motion was seconded by Booker. The motion carried unanimously.

Respectfully Submitted
