

Name of Club / Organization	Description	Faculty Advisor
Art Club	To provide students an opportunity to enrich their art experience and to help foster the mission of art within the school and broader community.	Jan Curley / Michael File
Band	HHS has various instrumental groups. The Symphonic Band is the centerpiece of the instrumental music department and is open to all wind and percussion instrumental students in grades 9-12. The Symphonic Band begins as the Pride of Hanover Marching Band in the Fall. There are several other groups available for students to join such as wind ensemble, jazz ensemble & percussion ensemble.	Matt Harden
Jazz Band		Matt Harden
Be Better Movement	To help promote a positive and inclusive school environment for all students.	Korri Byron
Chess Club	To create competitive, but friendly chess tournaments open to anyone who attends HHS (with grand prize opportunities).	Andrew Mahoney
Chorus	Concert Chorus is a mixed-voice (male and female) ensemble, open to all students in grades 9-12 who want to sing in a positive, welcoming environment. The primary focus of the class is to help students gain confidence in the use of their own voice.	Michael Wade
Class of 2024	Students of the class are involved in activities and fundraisers to benefit their own class.	Janet Mann / Bev Corbett
Class of 2025	Students of the class are involved in activities and fundraisers to benefit their own class.	Alex Ortiz / Emeline Dhommee
Class of 2026	Students of the class are involved in activities and fundraisers to benefit their own class.	Helen Doyle / Nancy Foster
Class of 2027	Students of the class are involved in activities and fundraisers to benefit their own class.	Kevin Perry / Tim Brown
Debate Club	The team is part of the Southeastern Massachusetts League and travels to various schools for debates. The purpose of the club is to gain confidence in public speaking.	Allyson Gately

Diversity Club/GSA	This club promotes recognition of the diversity within HHS and the town and encourages understanding of such diversity and to work towards acceptance within the entire community.	Michael Wade
Drama Club	An opportunity for students to create theatrical productions, to pursue their artistic passions and collaborate with each other and learn professional skills in relation to productions/performance.	Collin Fahey
The Eyrie (renamed from the Literary Magazine)	The purpose of the club is to promote, publish and encourage literary works of student creativity.	Steve Henderson
Friendship Connection	A group of students from the POST/RISE programs and peer students that meet monthly to encourage friendly socialization. They do things such as play games, make crafts and listen to music.	Allyson Gately / Janet Mann
Green Team	Seeks to educate the school community about recycling in the classroom and at home.	Korri Byron
Interact / Rotary Club	To provide young people an opportunity to work together in fellowship dedicated to service and helping others. The club completes two service activities annually.	Scott Hutchison
Life Savers Club	Provides the Red Cross / Mass General Hospital with supplies of much needed blood by holding blood drives. They also hold goods & clothing drives.	Heather Nee / Kristen LeVangie
Math Team	Provides students interested in mathematics to enrich their knowledge. Students will be exposed to non-traditional math topics as well as reinforcing prior knowledge of mathematics. The students will participate in math competitions against other schools in the South Shore Math League.	Tony DeFranzo
National Honor Society	NHS is a nationwide association sponsored by the National Association of Secondary School Principals (NASSP). It is dedicated to promoting academic excellence and fostering qualities of character, leadership and service. Membership is an honor bestowed upon a student.	Janie Mathisen / Lesley Turocy

The News Club	Provides opportunities for students of all abilities and interests to write about school and community events and issues.	Sue McHugh
Tomorrow's Teachers	Tomorrow's Teachers is a club designed to help students explore teaching as a career option, provide students with a realistic understanding of teaching, and encourage students to think seriously about the teaching profession, or a position related to the field, i.e, guidance counselor, adjustment counselor, administrator, or coach.	Deborah Abban
SADD	This club brings to attention decisions made by teenagers that could be destructive. Preventative and educational programs are discussed to offer positive alternatives.	Joanna Rapalje-Fitzgerald
Science Fair	The Science Fair fosters student interest in the sciences. Students will select a project, work with an advisor and participate in the Science Fair.	Renee Parry
Student Council	Establishes better communication between student body, faculty, staff and admin. Also instructs members in the principles and responsibilities of a democracy.	Jane Mathisen
Unified Sports Program	This is an inclusive sports program for students from the POST / RISE program along with peer students. They play one sport per season and host and travel to games against local high schools.	Allyson Gately / Janet Mann
Video Yearbook	A video yearbook is created as part of a class curriculum and it's done as a class project.	Michael Patch
Yearbook - The Hanoverian	The Hanoverian provides a historical record of the school year. Creative decisions are made by the yearbook staff. Seniors have priority in decision-making. Advisors reserve the right of final approval.	Ann Coates / Tina McCusker
Board Game Club	This club provides a place for students to enjoy the beauty of board games alongside their peers.	Lesley Turocy
Computer Science Club - Cyber Hawks	This club promotes the field of computer science. Students will create meaningful projects that will benefit the school and community.	Brian Ciccolo

Democratic Chapter	The main purpose is to discuss important current events, run drives to encourage students to register to vote, participate and organize community service events, provide help in local elections, advocate and raise awareness for important issues, and partner with local organizations.	Kevin Perry
Dirty Work	Promotes green spaces & beautification in and around HHS. Students learn about the importance of native plants and grow herbs, flowers and vegetables for the community.	Kaela Curtis/Jan Curley
The Eco Club	Enhance students & community members knowledge on climate change, sustainability & environmental issues. To do so, in meetings we will speak on environmental causes important to members, work to spread awareness in our school, host fundraisers and host local beach and town cleanups.	Mike Patch
Elderly Outreach Club	Provides opportunities for students to brighten the days of senior citizens in the Hanover community whether that is by singing, dancing, playing cards or just spending time with the elderly.	Sue McHugh
Esports	To advocate for Esports as a growing sports opportunity, and promote healthy teamwork and cooperation.	Steve Henderson
"Hawk Hangout" Club	A club designed to be a flexible and fun space for students to socialize (play games, listen to music, share videos, etc)	Emily Higgins
Lothlorien - The Tabletop Gaming Club	The purpose of the club is to spread a love and knowledge of tabletop gaming to the students of Hanover. The club is open to all who wish to learn, at any experience level.	Steve Henderson
Ski Club	A fun and interactive event in which students can go out and enjoy skiing and snowboarding in the winter. This is not intended to be a competitive sport, rather a time of fun and exercise for anyone interested. Everyone is allowed to join this club, no matter the level of ski and snowboarding expertise.	Colleen Smith

Tri-M National Music Honor Society	An effort to inspire music participation and create enthusiasm for scholarships.	Matt Harden
