

INSTRUMENTAL WORKSHOP

WHAT IS THIS CLASS ALL ABOUT?

Instrumental is a brand new class for anyone who:

- Used to play an instrument but stopped
- Students who did not receive instruction during Covid-19
- Always wanted to play an instrument
- Wants to learn a new instrument
- Is planning on majoring in music education or performance after HHS

Students may choose to focus on the flute, clarinet, saxophone, trumpet, french horn, trombone, baritone, tuba, and percussion.

WHAT TYPE OF ASSIGNMENTS AND ACTIVITIES CAN I EXPECT?

At the beginning of the course, students will bring, rent or borrow an instrument to use. Students will learn the essentials of tone production, posture, support, and how to read and express musical notation.

Assignments will include class participation and home practice to reinforce concepts and build technique. Performances in both individual and group settings will also be part of the fun!

SCHEDULE & CREDITS

Instrumental Workshop is an every-other-day course for 2.5 credits.
