Rev. 4/15

What is the Hanover Permanent Scholarship Fund?

The Hanover Permanent Scholarship Fund is a non-profit organization established in 1977, with \$1000 previously raised by the PTA as seed money. Over the years,

Seventies

Today

the HPSF has raised funds, received bequests, invested wisely to preserve capital, and used only the income from these funds to recognize deserving students at the end of their senior year. Thus the fund is permanent, and, as the Fund has grown, the awards have increased. The first award made in 1977 was for \$100. Today the fund's balance exceeds \$850,000; the interest earned over this past year will yield \$36,000 in scholarships to be awarded to students this June.

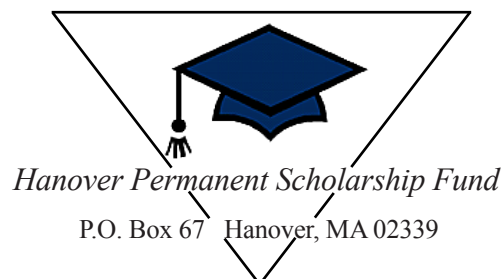

*The HPSF assets are professionally managed by the investment division of Rockland Trust.

What is the Goal of the Hanover Permanent Scholarship Fund?

The HPSF Fund supports Hanover's most precious resource.....

Our Students

by providing scholarships* annually to deserving high school seniors who are residents of Hanover, regardless of the high school they attend, with financial assistance to secure higher education.

A committee of Hanover residents volunteer their time to ensure that the Hanover Permanent Scholarship Fund continues to grow, thereby making it possible to award scholarships of greater amounts each year.

*An independent selection board reviews all scholarship applications and selects the scholarship recipients.

How You Can Help!

It Take a Village to Raise a Child

Please donate today!

All donations, large or small, will enable the Hanover Permanent Scholarship Fund to continue to grow, thereby making increasingly more substantial scholarship awards a reality each and every year.

If you agree that Hanover is a special place and that the young people of our community should be recognized and assisted as they pursue their educational dreams, please lend your support.

Thank you in advance for your contribution.

Donations are tax deductible, will be acknowledged, and are greatly appreciated.
