MEMORANDUM

To: Hanover School Committee
From: Michael Oates
Cc: Matthew A. Ferron, Superintendent of Schools
Date: December 6, 2023
Re: FY '24 Reauthorization and Authorization of Student Activity Accounts

I request that the School Committee reauthorize the attached Student Activity Accounts in each building. Though not specifically required by statute, the School Committee strongly recommends an annual reauthorization of the Student Activity Accounts.

Attached to this memo is a comprehensive list of all Student Activity Accounts in each building. The accounts highlighted in green have been added, and those highlighted in red last year have been deleted.

Please do not hesitate to contact me if you have any questions.
