Field Trip – Relevance to Curriculum

Field Trips should be designed and planned as one of an array of multiple and varied opportunities for students to gain and apply knowledge and understanding of contents, concepts and skills. Field Trips should be educational, academic experiences which:

1. Directly relate to the curriculum standards being taught;
2. Enhance learning;
3. Motivate and engage learners;
4. Enrich the curriculum;
5. Extend the learning;
6. Offer source of facts and new learning materials not immediately available in the classroom/school.

Field Trips – Safe and Valuable Experiences

In addition to the obligation to plan educationally sound field trips, is the serious obligation to ensure that all field trips are safe, secure, and viable learning experiences. Field trips should be designed and planned to:

7. Begin and end within the limits of the times that the children who are participating would usually be in session in school to ensure safety.
8. Avoid potential risks;
9. Include a well-planned schedule of events;
10. Meet the learning needs, development levels, and learning profiles of students;
11. Include accommodations and/or modifications for those in need.

Field Trip Proposal: *Tour of Italy from Venice to Rome to experience the history and culture of the country.*

Relevance to Curriculum (reference criteria above): *1, 2, 3, 4, 5, 6*

Plans for Involvement and Safety (reference criteria above): *7, 8, 9, 10, 11*

FULL ITINERARY

DAY 1, APR 12, 2023: OVERNIGHT FLIGHT

Depart from the USA.

DAY 2, APR 13, 2023: VENICE

Arrive in Venice, meet your ACIS Tour Manager and enjoy a fast and fun transfer by private motor launch to your hotel on the Lido. Then start exploring this magnificent city of canals and palaces with your 48-hour *vaporetto* pass, which allows you to come and go throughout the city as you please. (D)

DAY 3, APR 14, 2023: VENICE

Consisting of an archipelago carved by nearly 150 canals into 118 different islands, the incomparable city of Venice contains a wealth of sights. Arrive in St. Mark's Square where you can see the Basilica of St. Mark and the Bridge of Sighs, which connected the old prisons of Venice to the interrogation rooms of the neighboring Doge's Palace. Then learn more about one of Venice's most famous exports during an authentic glassblowing demonstration before visiting the historic Fondaco dei Tedeschi for breathtaking views of the Grand Canal from its rooftop. Stop for a photo at nearby Rialto Bridge en route to an authentic *cicchetteria* where you will sample traditional Venetian-style tapas. Then explore more at your own pace with unlimited access to the entire canal network and smaller islands using your *vaporetto* pass. You'll feel like a local in no time. (B,D)

DAY 4, APR 15, 2023: FLORENCE

We leave Venice this morning and travel to Florence, the Cradle of the Renaissance. Once there, you will learn about Italy's most famous frescoes during a fresco making workshop and test your skills against Michelangelo's after learning the technique from a master. You will certainly gain a deeper appreciation of what he accomplished with the Sistine Chapel. (B,D)

DAY 5, APR 16, 2023: FLORENCE

Today's sightseeing tour with a local guide shows you the splendid Duomo, Ghiberti's famous *Baptistry Doors* and the Piazza della Signoria—the political center of this Renaissance city. Then breeze by the crowds with your own timed entrance to the Accademia, which houses Michelangelo's *David*. As you explore, keep an eye out for that special *trattoria* you might want to come back to. Tonight you'll be able to dine like (and with) the locals using our insider tips and restaurant vouchers. (B,D)

DAY 6, APR 17, 2023: SORRENTO

Journey to Orvieto. Once a major center of the Etruscan civilization, the city is perched high on a plateau of volcanic *tufa* stone and is known for its gothic Duomo, whose dramatic outline is visible for miles around. Visit the Duomo, then begin your scenic drive down to coastal Sorrento, situated in the sheltered Bay of Naples under the shadow of Mount Vesuvius. Fragrant orange and lemon trees abound. (B,D)

DAY 7, APR 18, 2023: SORRENTO

Today's excursion brings you by high-speed hydrofoil to Capri, the Island of Dreams. Arriving on the island, take the funicular past sub-tropical gardens to the main piazza. There is time to wander through the twisting lanes and shop in the tiny artisan stores that line the square. (*Prior to March 15, an excursion to Naples with a visit to the National Archaeological Museum will be substituted*). Then return to Sorrento where a dance lesson with local experts will teach you the steps of the Tarantella, a southern Italian folk dance. (B,D)

DAY 8, APR 19, 2023: ROME

This morning head to Rome. Upon arrival go inside the iconic and historic Colosseum with a local guide by timed reservation) and learn the many stories of this nearly 2,000-year-old Roman landmark that's considered one of the architectural wonders of the ancient world. (B,D)

DAY 9, APR 20, 2023: ROME

Rome is called "The Eternal City" because the ancient Romans believed that no matter what empires rose and fell, Rome would endure forever. Today's panoramic drive of the city is a great introduction to the many phases of Roman history. Our local expert accompanies you through the Vatican Museums, including the Sistine Chapel, and St. Peter's Basilica. The best part is that these are timed entrances, meaning you'll breeze right by the long lines facing other tourists. In the evening, we'll enjoy an authentic, brick-oven Roman pizza dinner and learn the art of the Italian *passeggiata romana* around Piazza Navona to cap off an exceptional week. (B,D)

DAY 10, APR 21, 2023: DEPARTURE

Depart for the USA.

Optional Extensions and Extra Nights:

Further immerse yourself in the culture and wonders of la dolce vita with an extra night in Rome, including the services of your ACIS Tour Manager. (B)
