Re: Home School Requests for the 2023-2024 School Year

Please find attached the homeschool requests that were received for the 2023-2024 school year. Redacted plans will be provided upon request.

**Request 12:** This is a new home school request received on February 12, 2024, for one student who is in grade 9. The parents have submitted an education plan for the student in accordance to the Charles decision. I am recommending that the School Committee approve the request for the 2023-2024 school year.
