_____ Athletic Director Signature (indicates approval of athletic activity)		_____ Date	
<input type="checkbox"/> Approved		<input type="checkbox"/> Not Approved	
_____ Building Administrator Signature		_____ Date	
Reason not approved:			

To The School Committee Members

In addition to the Fundraising request I hope to outline a few benefits that the “Fun Run “ brings to our Elementary Schools.

A team from Booster spend one week in our schools. During recess they engage with the students in an inspirational way. They are Motivational and conduct activities that provide emotional and social learning. This active part which is the culmination of the program gets the kids running and participating in a Fun Run which is an excellent physical activity but also a team activity.

Some of the Core values the team instill in our students are:

Gratitude
Wisdom
Care
Courage
Grit
Celebration

All students are included, this event does not exclude.

As you are aware this event raises crucial funds for our PTA. In 2024 the Fun Run will ensure funding for the school year 2024/2025.

During this difficult time where we see continued rise in costs the PTA has not conducted any substantial fundraising and have seen a large decline in our funds. This September we will go into the school year with very limited funds, funds which would usually not cover events for our school from September to January but we find we will have to ensure cover an entire school year from September 2023- June 2024. However we are determined to support our schools as in years past.

Having said that our funds will not take us further so this fundraiser is key to remaining part of Hanover Schools during the school year 2024/2025. We project approximately \$50,000 in come from the event.

Thank You
