To: Hanover School Committee
From: Michael Perrone
Cc: Matthew A. Ferron, Superintendent of Schools
Date: September 28, 2022
Re: FY '23 Reauthorization and Authorization of Student Activity Accounts

Please find attached to this memo, a comprehensive list of all Student Activity Accounts in each building for your review, consideration, and vote this evening. Each year, the School Committee is required to reauthorize all of the accounts. The accounts highlighted in green have been added post covid and the red highlighted accounts are activities that are no longer active.

Principal Daniel Birolini is presenting a new activity account, HMS Art Club. Attached are the details for the proposed new club. I respectfully request a vote to approve adding the HMS Art Club to the Middle School Student Activities Account and action to reauthorize all of the existing Student Activity Accounts.

Please do not hesitate to contact me if you have any questions.

HMS Art Club

13th September 2022

OVERVIEW

Establish an afterschool art club for the 8th Grade students at Hanover Middle School for the 2022 - 2023 school year.

GOALS

1. Provide a full year program for students interested in Visual Art.
2. Creation of a display(s) of student work created in the club at HMS.
3. Establish interest in a full year art program during the HMS day.

SPECIFICATIONS

I propose to begin an afterschool art club at Hanover Middle School for the 8th grade students to enrich the current program with a year long art club increasing the students exposure to art and artists while providing studio time to work independently in turn further developing their artistic skills. Students will work in a Teaching for Artistic Behavior **(TAB)** model directing their own learning while creating a portfolio of work.

The club will meet on Monday's (excluding district holidays) from 2:30-3:30 starting October 3rd until May 22nd.

Works of art will be displayed in the HMS office in the spring of 2023 as well as be cataloged and posted on hanovermiddleschoolart.weebly.com and shared with students and families who participated in the art club.
