Re: New Student Activity Account Authorization

This year, a student from Hanover High School has advocated to form the Fashion Club under the leadership of Jan Curley, Mike File who will serve as the Club Advisor(s).

This club was approved at the school level by Principal Mr. Mattos

During the club establishment process, this proposal was submitted by the student and advisor:

The vision of the Fashion Club is to foster an environment in which students are encouraged to create and explore fashion design. The primary objectives of the fashion club are to promote creativity, community engagement, sustainable fashion design, and career and portfolio development.

Tonight, we respectfully request a vote to approve the Fashion Club to the Hanover High School Activities Account.

Respectfully submitted,

Mr. Mattos
