Re: New Student Activity Account Authorization

I am respectfully requesting that the Tech Tribe Club at Hanover High School be added to the Student Activity Accounts. Under the supervision of Mr. Brian Ciccolo, the Tech Tribe is a high school computer club that creates applications and designs websites providing technical support for the wider Hanover community as a measure of community service. One of their ongoing projects provides technical support for seniors at the Hanover Council on Aging. Recognizing them as an official club provides an opportunity to manage their account as part of the Hanover High School Student Activity Accounts.
