Cost of Admission of Fees / Per Student Fee	<u>included</u>
Any additional fees	<u>none</u>
Total Cost Per Student	<u>\$1,009</u>

Primarily indoor or
outdoor? BothWill there be exposure to
any animals? Y N^X

Field Trip – Relevance to Curriculum

Field Trips should be designed and planned as one of an array of multiple and varied opportunities for students to gain and apply knowledge and understanding of contents, concepts and skills. Field Trips should be educational, academic experiences which:

1. Directly relate to the curriculum standards being taught;
2. Enhance learning;
3. Motivate and engage learners;
4. Enrich the curriculum;
5. Extend the learning;
6. Offer source of facts and new learning materials not immediately available in the classroom/school.

Field Trips – Safe and Valuable Experiences

In addition to the obligation to plan educationally sound field trips, is the serious obligation to ensure that all field trips are safe, secure, and viable learning experiences. Field trips should be designed and planned to:

7. Begin and end within the limits of the times that the children who are participating would usually be in session in school to ensure safety.
8. Avoid potential risks;
9. Include a well-planned schedule of events;
10. Meet the learning needs, development levels, and learning profiles of students;
11. Include accommodations and/or modifications for those in need.

Field Trip Proposal:

An 8th Grade field trip to Washington, DC focusing on our Nation's cultural history, via visits to museums, historic sites, monuments, and memorials. Also, the HMS Band will perform at the Lincoln Memorial steps.

Relevance to Curriculum (reference criteria above):

8th grade teachers and specialists scaffold lessons to prepare and engage students for the DC experience. Teacher chaperones and tour guides build upon this foundation through discussion and experiences.

Plans for Involvement and Safety (reference criteria above):

Night chaperones are provided by World Strides to ensure students are safe and secure within the hotel. Chaperones are trained by our nurse in basic first aid as well as EpiPen training. Events and visits are planned with World Strides to provide a safe learning environment for all students.
