MEMORANDUM

To: Hanover School Committee

From: Thomas R. Raab, Assistant Superintendent for Business and Finance

Cc: Matthew A. Ferron, Superintendent of Schools

Date: February 26, 2020 Re: HPTA Update

Please find attached to this memo, the presentation notes from Joanna McCormick, President of the HPTA and the current status of the HPTA checking account from Sandy Suchoff, Treasurer. The checking account includes all expenses for this fiscal year.

Included separately in your School Committee packet is also a list of donations. The donations presented on behalf of the HPTA do not directly correlate with checkbook of the organization. They often have ordinary expenses, like all organizations, that are not direct donations to the school department but are necessary for them to conduct business. Donations are those funds given directly for the benefit of our schools.

I am grateful for all of the work the HPTA does on behalf of students, staff, and families. The fundraising they do goes directly back to the schools and is evident in the extensive list of activities supported by them. Please do not hesitate to contact me if you have any questions so that I may be fully prepared for our meeting on Wednesday night.

Hanover PTA 2019-2020

Annual Allocations

The Hanover PTA allocated the following to the schools last Fall.

Cedar \$5,760 Center \$7,040 HMS \$9,600 HHS \$9,600

As a reminder these numbers are calculated by taking the balance in our account from previous year's fundraising, subtracting what the Hanover PTA needs for operating expenses, scholarships etc. and dividing the remainder among the 4 schools based on student population in each building.

In addition we set aside \$10,000 to be divided among the schools to be used toward Staff Hospitality events during the year. We looked at what was historically collected for each school during that time and set aside that amount for Staff events at each school.

Cedar \$3,000 Center \$3,000 HMS \$3,000 HHS \$1,000

Staff events include a back to school welcome lunch the day before classes begin, snacks or sandwiches twice a year during evening conferences and a luncheon during Staff Appreciation week in May. This year we also provided lunch for all teachers at Center School the day of Mrs. Courtney Neville's wake. Staff Appreciation events are typically offset by donations from families for baked goods, beverages and other snacks. Hanover PTA funds are typically used for the main offering for these events, sandwiches, salads etc.

Traditionally staff events are paid for partially from Hanover PTA funds but primarily through a donation drive each Spring around the time of Staff Appreciation week. This year a decision was made based on the School Committee's desire for us to reduce the number of "asks" each year, to set aside money from our general fundraising and eliminate the Hospitality donation drive in the Spring.

Budgeting

Budget meetings were held subsequently at each school to discuss ways the money was intended to be used and to let us know of other needs and wishes that we might be able to help with. These meetings are held to insure the money is spent in line with the Hanover PTA's mission to further education enrichment at each school.

Many of the events we support are the same from year to year. Sometimes we are asked to support a need or wish list item that may have come up after School Committee budgeting is done in March. Occasionally we are asked to support a new program to give it a "trial" run. Sometimes those programs become annual programs and sometimes they are determined to be not the best fit for the school. The ability for schools to use PTA funds to explore new programs is invaluable.

2019-20 Fundraising

This year a concerted effort has been made to reduce fundraising and the small "asks" whenever possible. We have made every effort to avoid charging for events such as Science Fairs, Bingo, etc. Going forward the only events we anticipate charging for are those family events where food is served such as Dad's Pizza Night, 4th Grade Celebration, 8th Grade Dinner Dance.

Passive Fundraisers

We promote the following "passive" fundraisers which yield anywhere from \$150-\$1000 annually

Box Tops for Education Amazon Smile Toy Box Shopping Night Fringe Boutique/Wicked Cite Kids Shopping Night Turkey Trot T-Shirt sales

Direct Donations

Our Direct Donation campaign continues to be decreasing each year. Our best supported school was Cedar. We believe this is due to the families being "new" to the district and eager to support and also that hard copies of the information are sent home (and actually make it into parents hands). The other schools did this campaign through e-notifications only and have not done well at all

Direct Donations to Date:

Cedar \$2,737.50 Center \$1,222.50 HMS \$1077.14 HHS \$835

Direct Donations are intended to be used in the current school year they are raised.

Fall Fundraiser - Boon Supply

Our Fall Fundraiser for HMS and HHS was new this year. We used Boon Supply/Soul Warming Soups and Mrs. Field's Cookies. This was well received with positive feedback to the quality of the products offered compared to programs we have run in the past. Despite that we really did not raise much more than we have with our prior Fall Fundraiser. We raised \$5,990.60 with participation from about 150 students about 10% of the population in those 2 schools. The funds raised from the Fall Fundraiser are earmarked for 2020-2021.

Spring Fundraiser - Boosterthon Fun Run

The Fun Run kicked off this past Monday at both elementary schools and will culminate with the indoor "glow" Fun Run on Wednesday March 4th. The theme this year is *Mindspark Wild West* with a focus on S.T.E.A.M skills. The character traits students will be learning about include Honesty, Gratitude, Generosity, Kindness and Humility. Our goal this year is \$50,000. This is our primary fundraiser district wide and funds raised will be used to support all schools next year.
