Course Offerings

Hanover Indians Co-Ed Basketball Clinic

Mr. Nick Hannigan, HHS Boys Varsity Coach & HHS Boys and Girls Basketball Team Members

In this program students will have the opportunity to develop their skills and experience being part of a team. Students will learn basic skills, offensive and defensive concepts, communication and teamwork. Each day will consist of individual skill work, small games and full court 5v5 games. Players will be put on teams for the entire week, with the same coach for each game. Coaching staff will include current members of the Hanover High School Girls and Boys Basketball programs! This is a great opportunity to improve as a player!

Students must bring adequate hydration and proper basketball attire.

Eureka!

Mad Science of Southern MA & RI

In this program students will overcome a series of challenges using basic materials, simple machines, tips from famous inventors and, most important of all, their minds! With a little bit of ingenuity, students will create catapults and forts, construct working light sticks to take home and more. While Edison said that “invention is 10% inspiration and 90% perspiration”, this activity week is 100% fun!

Dates: Tuesday 2/19 – Friday 2/22

Time: 8:30AM-11:30AM

Grades: K – 2nd

Class Size: 15-20 Students

Mad Science Investigates

Mad Science of Southern MA & RI

In this program students will become detectives to investigate many aspects of the world around us from animal tracks and camouflage to secrets of deep space. They will discover how to send secret messages using special codes, explore their environment and find out how science can help us to protect our planet.

Dates: Tuesday 2/19 – Friday 2/22

Time: 12:00PM-3:00PM

Grades: K – 2nd

Class Size: 15-20 Students

Cost: \$150.00/class

\$275.00 for both classes

Creative Cuisine

Anne Judge, Hanover Food Service Head Cook

Using a creative approach to cooking that emphasizes whole foods and nutrition, students will create their own delicious dishes from scratch. Fruits, vegetables and whole grains will provide the centerpieces of this program. The goal of this introduction to food preparation is to inspire students of all ages to make healthy food choices. Classes will feature hands-on experience for students as they participate in each aspect of food preparation. Every day students will bring home several delicious food items to share!

Cost includes all food supplies, apron, chef hat and recipe book.

Due to the popularity of this program and the limited enrollment, students who participated in the 2018 Summer Creative Cuisine program are ineligible to participate in the February Vacation Week Creative Cuisine program. Additionally, students who participate in the 2019 February Creative Cuisine program will be ineligible to participate in the 2019 Summer Creative Cuisine program. Any ineligible students may register for a wait list and will be considered for the program should it not fill to capacity.

Dates: Tuesday 2/19 - Friday 2/22

Times: 8:30AM-11:30AM

Grades: 2nd - 5th

Class Size: 6 Students Only

Cost: \$200.00
