

## Procedures for Friday Morning:

### Arriving Home from Camp Squanto on Friday, June 16, 2023

Dear Parents,

In order to make Friday, June 16, 2023, go as smoothly as possible, we need all parents and students to please follow these procedures:

- The busses carrying the students and their luggage back to school will arrive at **HMS at approximately 11:40.**
- All other students at HMS will be dismissed at 11:00am, so we kindly appreciate the cooperation of all parent picking up their child to **NOT** arrive at the middle school prior to 11:20. Thank you in advance!
- We're asking parents to pick up their child and luggage and **leave the middle school as quickly as possible.** Parents need to make sure their children pick up **ALL** of their luggage and equipment.
- Any and all **medications** brought to camp by students can only be picked up in the **HMS nurse's office by parents.**
- To make this a smooth transition, the cooperation of all parents and students will once again be required.

The Sixth Grade Teachers
