

Procedures for Monday Morning:

Leaving for Camp Squanto on Monday, June 12, 2023

Dear Parents,

In order to make Monday, June 12, 2023, go as smoothly as possible, we need all parents and students to please follow these procedures:

- Students should arrive at Hanover Middle School with their luggage and gear ***no earlier than 8:00 and no later than 8:20*** on Monday, June 12, 2023. As you can imagine, there are countless details that the teachers and staff must address on that morning. There are no provisions for student supervision prior to 8:00 AM. Students should report directly to the cafeteria after their luggage and gear is dropped off at their homeroom's designated spot.
- Students **must have their names on everything they bring to camp**, including luggage and sleeping bags. In the event of inclement weather please safeguard luggage and sleeping bags in large trash bags properly labeled.
- **All medications** need to be hand delivered by a parent to **Mrs. Casey, our school nurse at HMS. (ASAP)** All medication brought to camp must be in its original container.
- Students must be in their **homerooms at 8:25AM** for attendance.
- At 8:30 AM students will board school busses to depart for Camp Squanto.
- The front of HMS must be kept open for several equipment trucks, nine school busses, and several smaller support vehicles. **There will be NO PLACE for parents to park and stay.** Parents are asked to drop off their children and leave the middle school parking lot to allow others in. There will be over 200 students with their luggage arriving at the same time, and we must keep traffic flowing. **Please say your goodbyes in advance.**
- We thank you in advance for your cooperation in making June 12, 2023, run smoothly and efficiently.
