for students and parents**

You are invited to a dance exhibition with opportunities for dance participation at the Cedar School gymnasium on Monday, March 4 for kindergarten and Tuesday, March 5 for first grade (both events) from 4:30 to 5:20.

If you and your student would like to attend please respond to this invitation. We must limit participants to 100 (50 students and 50 adults) to provide dancers with space for safe and successful movement. The program will begin with students performing a creative dance (the dance of the life cycle of the butterfly for kindergarten and the dance of the life cycle of the sea turtle for first grade). Mr. Langton will introduce and provide instruction on the subsequent dances.

The full dance program will be released on February 26.
