

CENTER SCHOOL CURRICULUM NIGHT

THURSDAY, SEPTEMBER 22, 2022

Curriculum Night is scheduled for this week and we look forward to seeing you and having time for you to meet with the teacher and hear about classroom expectations, curriculum, communication, and homework, among other classroom happenings! *This is an evening for parents only to have time with the teachers.*

There will be **two teacher presentations** per classroom (*same presentation repeated twice*). Families are asked to come at their designated time based on last name. If there are families that have siblings in different grades they are welcome to attend both sessions to get the information from the classroom. Our hope is that this makes it possible for families with siblings to make all classroom presentations; and lightens traffic/parking for this evening event.
