

## It's the Season of Giving at Center School

In the spirit of the Thanksgiving Season, we are inviting students at Center School to donate for the Thanksgiving Holiday. Our donations will benefit Hanover Families and will be made to the the Hanover Visiting Nurse Association (VNA) and the Hanover Food Pantry. A small donation can go a long way to make the Thanksgiving holiday a little brighter this year and it is especially helpful this year during these difficult economic times.

This year we would ask the children in grade 2 to bring in food donations that the Food Pantry will use to make holiday meal bags. We ask that children in 3<sup>rd</sup> & 4<sup>th</sup> grade bring in a donation of \$1.00 or \$2.00. The money collected will be used to purchase Shaw's gift cards for the VNA.
