

Center School

CURRICULUM NIGHT

Curriculum Night is an evening for parents to explore their child's school and learn about the things your child will learn this year; meet staff they will be working with in the classroom; and find out what they will be learning in specialist classes.

6:30-6:45

Meet the administrators

We will be introducing specialists, special education staff, support staff, FACE, and sharing a short news clip from our students. Please join us in the cafeteria. Administrators and F.A.C.E. will be available in the cafeteria until 7:30.

6:45-7:15

Classroom presentations

Special education staff will be stopping in classrooms where they work to be introduced and then will be available in their rooms until 7:40.

Special education staff will be stopping in classrooms where they work to be introduced and then will be available in their rooms.

7:15-7:40

Classroom teachers will be available in their rooms for any parent who has more than one child and needs to make a visit to get information shared during the classroom presentation.

Specialist teachers (Music, Art, IT, and PE) will be in their classrooms from 6:45-7:45. Please stop by and meet them and see where they spend time teaching your child.

A directory is provided on the back of this notice that tells room numbers where any staff member can be found. We have highlighted grade levels with their neighborhood color.

Red (grade 2) and **Yellow (grade 3)** neighborhoods are on the first floor. The **Orange (grade 4)** neighborhood is located on the second floor.
