

Hanover Food Pantry

Stocking up for Summer ☀️

Dear Center Families,

Thanks to the efforts of Henry Lyons and some of his third grade classmates, we will be holding a food drive, collecting different foods each week to bring to the Hanover Food Pantry to help them stock up for summer. We will begin on Monday, May 1st and have listed the items we are requesting each week through the end of school. Each time a student brings in a food item to drop off in the lobby we will have them put their name on a sun. We hope to fill our windows with sunshine and our food pantry with donations. We appreciate your support in helping Center School make a difference for our community.

We will accept any brand of these items~please check expiration dates!
