

GRADE FOUR CELEBRATION~2020

LET THE GOOD TIMES ROLL!

Wednesday, June 3rd

"PRIME TIME"~The virtual version

We were very disappointed that Prime Time had been planned and scheduled to take place just after school closed in March. We just couldn't let this opportunity pass to share the love of reading with our fourth graders. Since we can't all be together and see our teachers in person for Prime Time, we decided to video them reading the book we chose for the event "Scribble Stones" and bring it to you! All of our fourth grade teachers and some special guest teachers appear in the recording of this book! You don't want to miss it!

Our activity planned for Prime Time to go along with the book was for students to create a scribble stone on one of the stones from the Center School Courtyard. We would then have you place the stone you created back in the courtyard, leaving your mark on Center School for years to come!

This activity can still happen and we hope you will participate. Here's how:

- Watch the vimeo of "Scribble Stones" on June 3 (link will be sent to you on 6/3)
- Pick up a stone anytime June 3 to June 15 and write a message or decorate with your own design. (Stones will be in bins in front of the main entrance at Center School, 24/7, for pick-up anytime)
- Return your stone anytime up until June 19th by dropping off at Center School. Mrs. Cass will spray the stones to preserve them and place them in the Courtyard.
- Come back and visit sometime before you graduate high school and find your stone!

Sunday June 6th

Grade 4 Art Show Premieres

A link will be sent to you on Sunday 6/6 to view and share with family!

Monday June 15th

Take a drive by Center School for a special message from the PTA and the Center School Staff.

GRADE FOUR CELEBRATION~2020

LET THE GOOD TIMES ROLL!

Wednesday, June 17th

Grade 4 Celebration

Parents are asked to drive through the pick-up line behind Center School for a special send off for our fourth graders. We ask that each family arrive in one car at the following times. All of our elementary teachers have been invited to line the back driveway and clap off our rising fourth graders! While this is certainly not the same as the event we were planning we have worked hard along with the support of the PTA to include as many components of the celebration day as possible.

8:30	Ferguson	Students car parade by class down the pick-up driveway
8:55	Walsh	
9:20	Gordon	
9:45	Bryerton	Teachers line up with cheer gear along the carline driveway
10:10	Capraro	
10:35	Tavares	
11:00	Luccarelli	PTA will distribute Memory Bag as they exit the Sylvester public lot.
11:25	Polansky	
11:50	Lancaster	

When you get to the public lot at Sylvester Field, the PTA will be there to hand you a celebration bag that includes the pieces that would have been part of our celebration day! A celebration bag for each student includes...

- ✚ Signature t-shirt
- ✚ "Oh the Places You'll Go" book
- ✚ Grade 4 Memory books and pen
- ✚ Grade 4 Photo
- ✚ Certificate

The celebration ends with a special grade four video sent to you at 1:00 on June 17th! We know you will laugh and cry and enjoy some memorable moments from the elementary years!
