# Inclusive Schools Week

## Hanover Middle School

December 4th - December 8th

---

Good Afternoon HMS Families and Staff,

Please join us in celebrating Inclusive Schools Week, December 4th-8th. This annual event was created to celebrate the progress schools have made toward providing a quality education for our increasingly diverse student population and those students marginalized due to disability, gender, socio-economic status, cultural heritage, language preference and other factors.

Inclusive Schools Week provides an opportunity for our teachers, students and parents to discuss and initiate practices to further ensure our school continues to improve upon our goal of successfully educating all children.

Our Inclusive Schools Team has worked together and planned for a wonderful week of events. This week will be one in which we can all be proud to not only highlight our ongoing efforts to make the students of HMS feel safe and supported, but have a true sense of belonging.

There will be daily announcements, short videos shown at lunches, bulletin boards around the building, Be Better Club happenings, social media posts, and more throughout the week.

Hanover Middle School is committed to be an inclusive and safe school all year but we chose this week to highlight and connect with this National Initiative. Our Inclusive Schools Team is committed to create inclusive events throughout the year.

We look forward to celebrating this amazing week for all!

Sincerely,
