

THURSDAY OCTOBER 6TH | 6:30

HANOVER HIGH SCHOOL MEDIA ROOM

Please join the Hanover Special Education Parent Advisory Council for an important and interactive discussion with Superintendent Matt Ferron, Director of Student Services, Mike Oates, as well as principals and team representatives from each school.

After introductions we will meet in smaller, building specific groups where you will have an opportunity to ask questions and gather valuable information in this roundtable discussion event.

We hope to see you there!
