Student Amount: 62
Location: Digital - School/Home

Testing Day: Monday, May 17
Testing Subject: Computer Science Principles
Testing Time: 8 AM (120 minutes testing)
End Time: 10:20 AM
Student Amount: 15
Location: Starland

NOTE: Although students are given the option to take *US History* and *World History - Modern* at home, the associated teachers and our entire AP community strongly encourage students to take the exams at HHS. This choice provides:

- a supportive academic environment;
- a familiar academic environment;
- a chance to take the exam alongside your peers;
- a greater likelihood of success.
