Dear Hanover Families,

The Hanover School Nurses are very pleased once again to collaborate with the Hanover Visiting Nurse Association to provide food items for members of our community this Thanksgiving. Thanks to the generosity of the Board of Directors of the Hanover VNA, there will be a Food Giveaway Event in the month of November.

If you feel that your family could benefit from assistance this year to make your Thanksgiving special, please contact your school nurse and you will be given an invitation to this private event. There are a limited number of invitations, and they will be delivered on a first-come, first-served basis so please contact us as soon as possible and no later than November 13, 2019.

If you have any questions or concerns that you would like to discuss privately or if you need assistance with accessing this information, you may contact your school nurse or school adjustment counselor.

Sincerely,

Patricia Smith BSN RN NCSN
Director of Health Services
