Hello Hanover Families and Happy 2023

The PTA is asking for your help with raising funds for our Teachers and Staff Hospitality and Appreciation budget.

We have ensured our staff receive “Welcome back to school lunches” Hot chocolate bars, Staff Appreciation Week which consists of lunch, treats, raffles, and if possible end of year gifts. This is an inclusive event where we ensure all teachers and staff in all 4 schools, and at the Salmond building are represented.

With the rising cost of running the PTA and supporting the schools, their programs, activities and events we have reviewed our expenditure and are requesting your help through donations to continue showing our appreciation to our teachers and administrators. No amount is too small, \$5, \$10, \$20, whatever you give will be used to say “Thank You”.

To donate log on to www.hanoverpta.org and under any of our schools you will find the Hanover Schools Staff Appreciation tab to make the donation.

The HPTA Board, and Building Reps would like to Thank You for donating and your continued support.

Andrea Sheehan
President HPTA
