

Welcome to the Hanover Middle School

Introduction & Orientation with Dan Birolini, Principal HMS

Welcome to HMS

Hopefully this message finds your family healthy and safe during these challenging times.

We are in that time of year when parents and students start to think about the 4th grade transition to Middle School! We want you to know that we're thinking about that transition as well and would like to invite you to a couple of information sessions. Next week, we will be having a virtual orientation and a virtual tour for our students as well as a parent information night. Obviously this is not the how we foresaw this situation but we will make orienting our incoming HMS students and families as welcoming and informative as possible.

I am really excited for the opportunity to get to know and work with your children.
