4:00-6:00

Please come to the main entrance at Center School. Remain in your car and we will bring items out to you.

Mrs. DeGrenier, Mr. Wilson, and a few teachers will be on site, but this is not a time that you are guaranteed to see your child's teacher. We let you know this so that we don't catch you or your child off guard.

If you plan to pick up medication on Monday 6/15, please email Mrs. Krall (ckrall@hanoverschools.org) in advance so your items are available for pick-up.
