TUESDAY APRIL 11TH
HANOVER HIGH SCHOOL LIBRARY
7:00 PM

Meet the SEPAC @ 7pm:

Stop in and meet the SEPAC anytime between 7pm and 7:30, before the *Ask the Advocate* event.

Learn more about our role in the district, how we help to support parents and volunteer opportunities.

Ask the Advocate with Liz Tam @ 7:30pm:

After this workshop you will go from feeling overwhelmed and uncertain with the IEP and the IEP process to feeling empowered and sure of your ability to understand your child's IEP and how it is implemented in the school setting. At the end of this event, you will feel more confident in your ability to advocate and be an active participant in your child's special education team.
