Join the South Shore Children's Museum for a fun adventure through time and walk or bike your way through the Oregon Trail (Forge Pond Park) where you will stop at 12 check points and earn special marks on your map. You may complete the entire trail or "settle" at any of the stops where you will receive your homestead papers.

This is a **FREE** event for families. Enjoy exercise and learning about American history while having fun! Following your ride, a DJ will entertain riders and kids can have some fun in bounce houses.
